

Service Technician Position(s)

Are you mechanically inclined and like variety in your work environment? If so, we would like to talk to you about a fun opportunity in the Swimming Pool / Hot Tub Industry.

In Depth Services, LLC is a family owned business located in WI Dells. Not only are we a primary source of Pool/Hot Tub chemicals, equipment and maintenance services for both Commercial and Residential customers; but also, provide Pool/ Hot Tub Repair Services. Our business is growing and we are looking to expand our team in order to continue to provide an outstanding customer experience.

Our Service Technician position is a Full time M-F position, and could either be Year-round full time or Seasonal full time to fit your schedule.

An ideal candidate would have previous experience with Swimming Pool/ Hot Tub repairs, and maintenance. A candidate with construction of In ground or Above ground Residential or Commercial pools would be a good fit. While previous experience is required, we will offer both hands-on and practical training to learn company policies, systems and job expectations. We are an open-minded growing company. Let's grow together.

Job duties include but not limited to - diagnostics, repair and replacement of mechanical equipment, seasonal opening and closings, liner replacements, auto cover repairs, leak detection and repair, painting pools, tiling, patching pool surfaces and caulking pool decks, testing and balancing water, and driving site to site with company provided vehicle.

Required:

Skills: Basic electrical, plumbing, and mechanical knowledge. Critical thinking skills and adapts to change quickly. Works well as a team member and independently. Detail oriented

and time management skills. Excellent communication and customer service skills. Dependable and punctual.

Education: High School diploma or GED. Willing to become CPO certified.

Physical: Ability to lift 50 lbs. Able to work in a variety of weather conditions.

Technical: Have valid Drivers License.

Preferred but not required:

Previous Maintenance or Construction Experience, CPO Certification.

Pay scale \$20-\$30 hourly, Overtime as needed.
